Paddy went to the
Doc's today & said "do
you treat alcoholics",
The Dr replied, "of
course we do".....
Paddy said "great get
your coat on, I'm
feckin skint"

Paddy and Mick are walking down the
road and Paddy has a bag of doughnuts
in his hand.

Paddy says to Mick: "If you can guess
how many doughnuts are in my bag,
you can have them both."

ATTENTION

AGM

Sunday 29th March, 2020 at 2pm.

has been cancelled until further notice, due to the
Coronavirus.

The Ministry of Health website advises that people with
underlying medical conditions, such as a compromised
immune system, liver disease, cancer, kidney disease,
heart disease and diabetes, need to take more
precautions to protect themselves against all infections,
including Covid-19.

One of committee members (Barry & Jackie) are in
isolation for a fortnight as from yesterday, after
returning from overseas. I sense they are not too
bothered.

We will continue to update you on the
Meetings as we progress with the virus....

I say we close down the national media for 30 days and
watch 80% of the world's problems go away

Points to Ponder

- 1) Why do fat chance and slim chance mean the same thing?
- 2) Why do they call it 'chili' if it's hot?

A laugh or two travelling around the internet

Charmin Farmin
Just sprouted. Ready in 3 weeks.

Well that was fun, just been into Tesco, - the had no toilet paper at all.

Reluctantly I headed for the checkout and asked if they had any. A firm NO was the answer.

Walking back to the toilets with my jeans around my ankles was a walk I never want to do again...

Before you start popping that bubble wrap, remember the air in it is from China.....

Marked Safe From
Whatever it is the
media wants me to be afraid of
Today

I'm still trying to figure out how: "Wash your hands" Translates to:

"Buying all the toilet paper."

Me after I eat all of my quarantine snacks in one night
