Dear Members,

Welcome to the New Year.

I hope you have been able to enjoy some relaxation and quality time with family and friends over the holiday season and are ready for another busy year ahead.

I am currently planning issue 1/2021 of the N.Z. Ostomate magazine and invite members to send articles for inclusion in this and future issues of the magazine.

If you have a story or experience to share, a question you would like answered (*these will be referred to the necessary professional*), hints to share, Society happenings, or something you have read in another publication and think others would enjoy reading please send them to me by post, email or fax. (*please remember to seek permission and include an acknowledgement with copied articles*).

The closing dates for magazine contributions for 2021 are **15th February, 15th May and 15th August** and in fairness to the printer who also have to plan their programme, these dates need to be strictly adhered to.

Please remember this is YOUR magazine and therefore needs to include articles of interest to you all.

Thank you all for the great work you are doing for the ostomates of New Zealand.

Kind Regards and good health to you all.

Jill Newton
Editor
N.Z. Ostomate Magazine

Points to Ponder

- 1) If Superman is so smart why does he wear his underpants over his trousers?
- 2) Why do they call it 'chili' if it's hot?
